Practical Training: Results and Experiences

Assoc. Prof. Dr. Algimantas Sventickas
Danguole Bylaite - Salavejiene, M.A.
Lithuanian University of Educational Sciences
22-03-2018

Aims of the Practical training workshops:

- To give support for Belarusian participating universities in the aspects of curricular development regarding the learning outcomes approach.
- Exercise in writing learning outcomes for some selected study programmes.

Training results:

conducted trainings at 8 universities

Training results:

- The participants at every university presented 3 - 7 projects how practically update/or create the new study programme.
- The main study fields were :
Macroeconomics,
Accountancy,
Management, Ecology,
Law and Mediation,
etc.

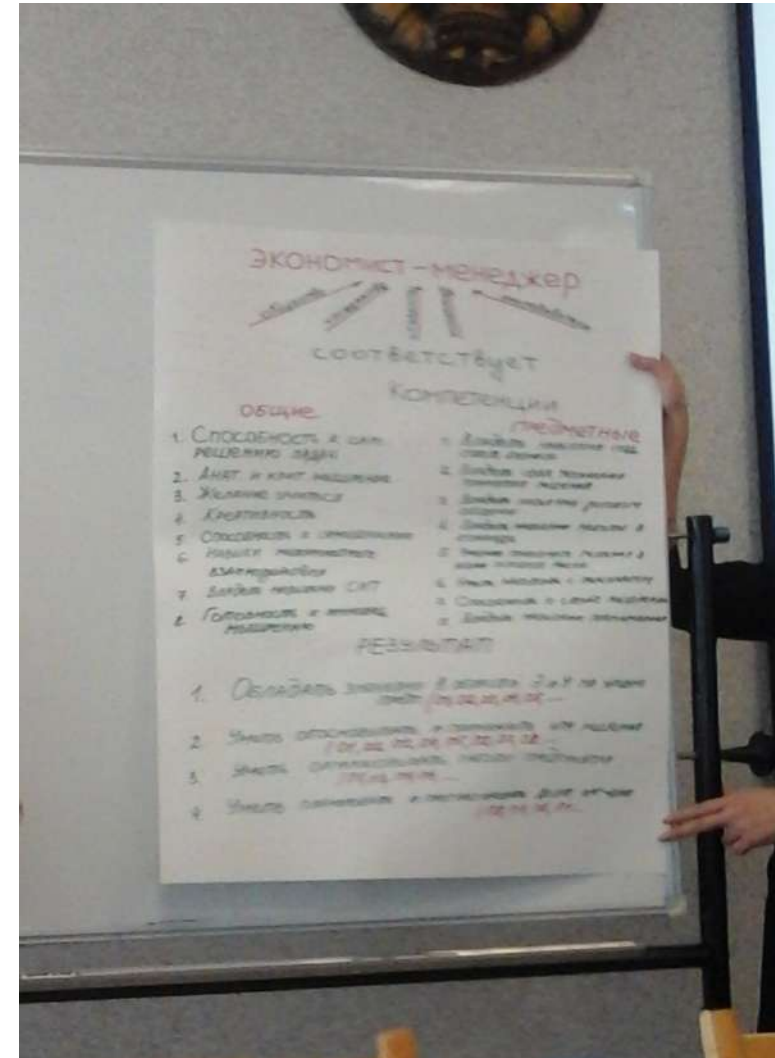

Lessons learnt:

- To organise active involvement helped handouts' translation into Russian language.
- Developed Grossary as a handout helped to agree on the terms.

Final notes:

All the participants successfully implemented 10 practical steps „How to design a study programme“.

Thank you for the attention
